July 13-14, 2010
Estes Park Colorado

Name: _____

Tuesday, July 13th Itinerary:

Depart on an interpretative tour of the 12,000 ft. high, Trail Ridge Road in Rocky Mountain National Park. The tour, which lasts from approximately 4½ hours will stop at the following locations:

- Many Parks Curve
- Rainbow Curve
- Lava Cliffs
- Alpine Visitor Center-Passengers will be allowed one hour for lunch
- Forest Canyon Overlook

and include ample time at all stops for photographs and viewing. Rocky Mountain National Park personnel will be onboard to describe the history and geologic wonders of the highest continuously paved road in North America and available to answer any questions.

Enjoy afternoon "free time" in downtown Estes Park or return to the Lakeshore Lodge before preparing yourself for a night at the Stanley Hotel where delicious cuisine awaits your arrival, and so do the "ghosts." After dinner join Stanley tour directors on the Ghost Tour

Wed., July 14th Itinerary:

Your choice of the following activities:

- 1) White Water Rafting on the Poudre River with Rapid Transit Rafting (includes transportation to EPHS pickup site and snack-bag-breakfast or lunch)

Did you say "rapids"??? Join Rapid Transit Rafting on a half-day trip down the Poudre River.

The Poudre River (how the heck do you say it? "Poo-der") is a fast-moving river with nearly continuous Class II to IV rapids and little float water. This river has the distinction of being the only "wild and scenic" designated river in Colorado.

NEVER BEEN RAFTING? Don't worry, our professional guides ensure that both the first time rafter and the experienced rafters have a great time. Non-swimmers are also welcome. Actual time on the river can vary each day depending on water flow. While each season is different, the water is usually swift-moving early in the season and slows down a bit by August. We'll get you wet!

Trips depart from the Estes Park High School at 9:15am and 12:15pm daily. We also have a 6:30am trip Monday through Friday. (Okay, I heard you **GASP** when you read that time. Before you dismiss this trip as too early, this trip is smaller and we're often the only company on the water then. The river is all ours - it's incredible!) Feel free to bring snacks and non-alcoholic beverages along if you like.

\$75.00

attending event: _____ X \$75.00 = _____

- 2) Horseback riding into Rocky Mountain National Park with Sombrero Ranch (½ day excursions in Allenspark; includes transportation to and from Allenspark plus a snack-bag breakfast or lunch)

Enjoy an exhilarating ride to Longs Peak, Calypso Cascades, Ouzel Falls, Finch Lake, Pear Lake and other areas in the National Park. Or venture into the Roosevelt National Forest for rides through meadows teeming with colorful wildflowers, cross sparkling streams brimming with water the color of iced tea. Ride along a scenic mountain lake fringed with rustling aspens. Enjoy the crisp cool air and the incredible scenic views. This is the ideal way to explore the Colorado Rockies and you'll never have a crowd in Allenspark.

\$85.00

attending event: _____ X \$85.00 = _____

- 3) Embark on a morning of shopping in Estes Park (redeem yummy coupons at several businesses, meet local artisans, and see a glass-blowing demonstration), then enjoy bar-style appetizers or a sandwich while you taste up to 11 different microbrews at the Estes Park Brewery. Top off the afternoon on the deck of the Snowy Peaks winery as you indulge in gourmet treats and wine tasting.

\$40.00
